

## 40MM SLIDER FOR MW SYMMETRIC

---

**SKU:** Itk-mw-slider

**Category:** [MW Base Platforms](#)

## **PRODUCT DESCRIPTION**

We have designed this slider to slide anything suspended on a 10-12mm pole on top of a 40mm rail.

We have three versions: left, right, and symmetric. Pick the one you prefer.

This item can be customized on request for different pole diameters, colors, rail sizes and slider length.
